

**SRI MALLIKARJUNA KHARGE.**— While answering question (?) the Government has stated that 235 road and bridge works were approved in the Government Order No. PWD 219 CRM 79 dated 3-12-79. But the works which were taken up for execution under this programme were stopped with effect from 20th January 1980 as per the direction of Government. May I know the reasons for stopping those works ?

**SRI M. VEERAPPA MOILY.**—Sir, the sanctioning of road and bridges under this programme came up for discussion in this House and also outside. In this connection there have been representations from the Legislators to the effect that original plans have not been adopted while sanctioning these works. So in the light of the representations from the Legislators and also from the public we stopped this work and we have completely gone through the representations received from the Legislators and the public. Now, we have revised the order and the same has been issued. So far as Gulbarga is concerned we have approved all the works which were included in the earlier list.

**SRI MALLIKARJUNA KHARGE.**—Sir, in the revised list it seems 35 works have been included. May I know which are those works and the districts in which works are going to be taken up ?

**SRI M. VEERAPPA MOILY.**—It is a very big list. I will place the list on the table of the House and request the Hon. Member to go through the list.
